Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 268C3 to Okeene, Oklahoma as that community's first local FM service. Okeene is an incorporated community with a population of 1,240 people.¹ Okeene has its own mayor, its own schools, fire department, police department, post office and a number of local churches. Okeene is a community that is certainly deserving of local FM service. The proposed channel 268C3 will provide additional diversity and an outlet for local self-expression to

Okeene residents and therefore is in the public interest.

Should this petition be granted and Channel 268C3 is allotted to Okeene, Oklahoma, Petitioner will apply for Channel 268C3 at Okeene and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

Charles Crawford
